

A+ High School Eligibility for CPS 2020 Seniors

- 1. Algebra 1 EOC requirement is waived for all 2020 high school seniors.**
- 2. 50 Hours of unpaid tutoring.** For the 2020 seniors, the number of tutoring/mentoring hours has been reduced to 25 to accommodate those students who are unable to complete 50 hours prior to high school graduation. The high school A+ Coordinator will reach out to seniors who do not have 25 hours completed and will develop an individual plan that can include, tutoring siblings, zoom tutoring hours, household chores etc.
- 3. 95% Attendance.** All 2020 seniors who are eligible for an appeal (they will most likely meet criteria in the other areas) will have that attendance appeal waived. All appeals will be approved without any need for a meeting or documentation.
- 4. 2.5 Grade Point Average.** To be eligible for the A+ Scholarship, students must graduate from high school with a 2.5 cumulative grade point average. Since school closures may negatively impact seniors' spring 2020 GPA and thus the cumulative GPA at graduation, **2020 seniors who have a 2.5 cumulative grade point average at the end of either the fall 2019 or spring 2020 semesters will be eligible.**
